Good Day Strategists,

Tonight's Meeting (2011-12-20) will be addressing the Independent Foreclosure Reviews which are required by the Board of Governors of the Federal Reserve System and the Office of the Comptroller of the Currency. The reviews are focusing on errors, misrepresentations or other deficiencies in the foreclosure process.

We'll compare and contrast these with the consent orders of April 13, 2011 to see what arguments we should be making to the Feds in our complaints.
